

AUW Library Code of Conduct

This is our library where we read and learn together

Libraries are public and shared spaces.

- Share seats, power points and library materials with others.
- Sleep at home/dorm, not in the library.
- Do not bring in food or drinks, except for plain water.

Please treat everyone with courtesy and respect.

- We will take action against any harassment of our staff or library patrons.

Take care of your own belongings and library resources.

- We may remove unattended items.
- Do not take books outside without issuing from the library circulation desk.

Libraries are quiet spaces.

- Speak softly at all times.
- Use your phone outside the library.
- Put electronic devices on silent mode.

Public disturbances will not be tolerated.

Thank you for your cooperation.
